

What Can  
**PROP. GOLD**  
 do for  
 our Schools?

**A YES  
 Means**

District Wide Facility Upgrades including renovated drainage systems at each building

High School Renovations to include:

storm shelter/ auxiliary gym, new performing arts classrooms and facilities, updated locker rooms, and parking lot expansion

Safer Drop Off Lines

Monies for preventative maintenance, updated HVAC, and roofing projects

**A NO  
 Means**

Ongoing drainage issues will continue to cause damage to building exteriors

Buildings will not be energy efficient

Overcrowded and Inadequate performing arts facilities

Elementary performing arts programs held at the old Middle School gym

Less capital for classroom resources

deferred maintenance outdated and inadequate HVAC
