2012-2013
Salary and Welfare Proposal
May 8, 2012

After surveying the staff, we have agreed on the following priorities regarding salary and welfare for the 2012-2013:

SALARY ISSUES:

Maintain jobs
Maintain health insurance funding at 98%
Base increase of 5%
Give an experience step and educational increases
Maintain Career Ladder at its present level

WELFARE ISSUES:

Maintain current leave policy, but allow staff to bank up to five personal days before they convert to sick leave days and allow those five banked days to be used at one time if necessary.

Respectfully submitted,

Michelle Silkett, Savannah MSTA/CTA President
Chairperson, Salary & Welfare Committee
